## How are we different?

1. End-to-end supervision of all tasks.  
Doortask will supervise every task from the initial visit until the project is completed.
2. All customer interactions will be done with a Doortask team member, ensuring that your concerns are always attended to.
3. On-Time delivery with economical prices.
4. Standardization in execution of all Services.  
With extensive knowledge working in the field with various customers, Doortask has come up with a standardized process for each unique task that we handle. This avoids the usual hassles a customer faces while carrying out any task with an external task provider.
5. We provide a satisfaction guarantee to all our customers.
6. All tasks are carried out at your doorstep.
7. Single point of contact for all services.
8. 24/7 Customer Support
